#### CLIENT OBLIGATIONS – TRIAL & WEDDING DAY

You must ensure that me or my team will be working in a suitable environment with adequate lighting, electricity points, and hand washing facilities. Please ensure every member of your party is aware of timings on the day and that they need to be, and remain, available.

You are to inform me of any allergies or reactions prior to, or after, any makeup application or hair styling. If no known allergies are stated I cannot be held liable for any reactions, injuries, losses, damage, costs, claims and actions that may occur to you or any other member of your party.

Prior to having makeup applied or hair styled please ensure you and your party are prepared, to avoid leaving the chair whilst we are working. Please ensure teeth are cleaned, you have been to the toilet and contact lenses are applied (if applicable), before sitting in the chair. Also make sure you are make-up free, (we will prep your skin.)

On any wedding day, time is of the essence. Please ensure hair is clean, completely dry, and free from product. I advise washing the night before and avoiding heavy conditioners. If any of your bridal party have wet hair they will be expected to dry it thoroughly before we start.

Please do not eat or speak on your mobile phone during makeup application. Please do not sit children/babies on your lap whilst having your hair styled or make-up applied. For their own safety please ensure that children are kept away from our styling tools and products at all times. Styling irons are extremely hot, and hazardous, and we will not be held responsible if a child is injured as a result of the parent or carer not being present.

Although I absolutely love animals, I ask that when Emilia Beauty Art is at your getting ready location that pets be kept away from makeup and hair tools for hygiene and safety purposes.

## CANCELLATION POLICY

Please notify us immediately if services are no longer required. The retainer will be forfeited and is non-refundable. In the event the client cancels the service(s) for a wedding less than 30 days prior to the reserved date, the client is liable for the full remainder of the contracted balance. If there are any scheduling conflicts, alternate dates can be discussed. However, if a client wishes to cancel and reschedule a personal service (ie. engagement session, bridal trial, photo shoot, etc.) within 48 hrs, a \$50 re-booking fee will be added to the next booked session.

Changes to your booking by adding another person onto your original booking can only be accepted if time/resources allow. I will require prior notice and payment due at the specified time.

Adding extra people on the day, without prior warning, may jeopardize the quality of our work or delay the ceremony. You are required to give a minimum of 1 months notice should you wish to reduce numbers or services booked on your wedding day.

After such time less than 1 month until the date the full amount for services cancelled will still be payable. All payments are the responsibility of the bride.

In the unfortunate event that you have to cancel your booking completely we require a minimum of 3 months notice. After such time the full amount will still be payable by the specified date.

Deposits are non refundable. Should no payment be received we will proceed with legal action to recover losses.

#### IF WE CANCEL OR CHANGE YOUR BOOKING

In the unlikely event that I/we, as a team, cannot attend on the day of your wedding due to unforeseen and unfortunate events or circumstances, all payments will be immediately refunded.

I will work with you to find an alternative reputable stylist/artist or salon to cater for your requirements however; any such booking will remain solely the responsibility of yourself.

If one of our team is unable to attend on the day, due to illness or unforeseen circumstances, I will immediately try to find an alternative freelance stylist/artist to stand in. If this is not possible I will ask for an earlier start time to accommodate original numbers, or will refund services, which are forfeited on our part, or altogether, as a result. No further compensation will be offered.

If a member of my team is made to feel uncomfortable in anyway, or mistreated, or if anyone becomes abusive/violent or displays any offensive behavior, we have the right to cancel the contract without refund.

#### **Travel Cost**

\$50.00 within Calgary (per artist)

\$0.70/km outside Calgary (per artist)

Note: for weddings farther than 3 hours away or more we request 2 night accommodation in the same hotel the night before so we can arrive fresh (and on time) for your wedding the next day!

There is a \$100 per day, per artist(s) food + beverage fee, for each day that we are required to be at the destination.

This also applies to the weddings that they need early morning starts

#### QUALITY & SATISFACTION ASSURANCE

Emilia Beauty Art is committed to providing a quality service to all of our clients and do our best to deliver your desired results.

Please take into consideration the following if you are a first-time client of Emilia:

If you choose to bring a photo to your appointment of a look you are hoping to achieve, please be aware that the desired looks may not always be achievable and will always look differently on your face. I can do the exact same makeup on two different people, using the exact same products and it will always look completely different on both clients. Please note that everyone has different eye shapes, colour, skin types, skin colours, face shapes etc, so if you wish to bring in a photo, please keep this in mind.

## APPOINTMENT PREP TIPS

Take care of your skin as much as possible! Good skin = good makeup.

Since I am offering at my studio Dermaplaning services I do highly recommend you to book it before any important event you will be attending. It's the most requested skin treatment in New York and the hottest pre-red-carpet treatment!

Dermaplaning will give you your most luminous, soft skin. It will gently remove the dead surface cells and that little layer of peach-fuzz facial hair, leaving the skin ultra-smooth, fresh and glowing. Plus, when you apply your makeup afterwards, you'll find it goes on as smoothly as silk, which is why dermaplaning is in such demand as a pre-event treatment. Pay extra attention to your skincare routine in the few weeks leading up to your event to combat your skin concerns. If you are dry, hydrate your skin as much as possible with masks, moisturisers and overnight coconut oil masks. Refrain from trying any new products that might make you break out or cause a skin reaction.

If you are booking in for a hair and makeup package, wash your hair the night prior to your appointment. This will ensure that your hair isn't too dirty or clean. Let your hair air dry or blow-dry it, but strictly no straighteners or curling tongs, as your hair won't be able to be styled if it has been touched with a hot iron.

Avoid wearing makeup (if you can) the day prior, and especially the morning of your appointment. We find that if faces and eyes have had makeup on and taken off, they are subject to more sensitivity and watering.

Thank you for your understanding and cooperation during busy months.

I will respond to all emails within 48 hours. If you have any further questions please contact me.
